

Thank you for your interest in the Lakewood Center Associates (LCA). The Associates' organization was formed by 18 members in 1984 as a supporting arm of the Lakewood Center for the Arts. The mission of the Associates is "to promote the welfare and serve the needs of the Lakewood Center for the Arts." The group oversees fundraising events and manages the Re-Runs Shop. Throughout the years, the membership has grown to over 170 members. We have raised more than a million dollars for the Center. The money has been used for renovations, repairs and maintenance, educational programs, student scholarships, and theatre productions sponsorship.

The Re-Runs Shop is located in the Lakewood Center for the Arts and is staffed entirely by the Associates who volunteer one day a month. Sales at the Re-Runs shop are the primary way the Associates raise money for the Lakewood Center. The Re-Runs Shop has an ever-changing inventory of jewelry, furniture, antiques, collectibles and second hand treasures which come to us on consignment or are donated. In addition to funds raised by the Shop, the Associates assist the Board of the Lakewood Center in their fund-raising events which are members are required to support.

The Associates meet the third Thursday of the month, September through May. Members are encouraged to attend monthly luncheon that combine a short business meeting with a program of interest, and to assist with one luncheon a year. Prospective members and visitors are always welcome to attend the luncheon meetings.

Our fiscal year runs from July 1st through June 30th. Annual dues are payable by June 1st. We welcome your interest in the Lakewood Center Associates. If you have any questions, please contact us for additional information.
